THAT SCHOOL FUND.

Terrible Exposure in the Tennessee Legislature.

All the Brownlow Officials Implicated.

Old Mullins Gushes over the Wages of His Corruption.

Arnel Mixes Patriotism with His and Sings Loyalty.

A Rich Tit-Bit.

[Special to the Louisville Courier-Journal.]

NASHVILLE, Feb. 2.—The sensation of the season was produced in the Legislature to-day, by the most startling disclosures in connection with the missing school fund,—It had been surmised for a long time that there was a great deal of rascality at the bottom of the whole business, but nobody, outside of those implicated, imagined the extent of the bribery, corruption and wholesale swindling made up in the history of the stolen fund. It will be remembered that several weeks since Rutter, President of the Tennessee National Bank of Memphis, where the school fund was placed, was arrested and a committee appointed by the House to make a thorough investigations. That committee, composed of fearless and impartial men, aided by the best legal talent in Nashville, made its report to-day, bringing to light the most damning disclosures, and implicating scores of State officials most of whom were members of the House at the time the funds were spirited away. The principal witnesses who testified before the committee were Rutter himself and his head lobby agent, named Parham. In addition, some scores of letters and telegrams were presented, nearly all having a bearing on the corrupt influences men brought to bear on the Legislature. Standing out among the most prominent of those who were bribed stands S. M. Arnell, present member of Congress, and who was then a member of the legislature and well known as the author of the Tennessee franchise law. Two other members of Congress, Mullins and Nunn, who were then members of the House, also, according to the most ample testimony, received bribes, but they were not as deep in the villainy as Arnell. The latter's name figures largely through the testimony and correspondence, it being clearly proven that he pocketed $5 500 at one haul. Mullins was for sale cheaper, for, on receiving $500 cash, he indulged in the following rhapsody when imbibing a bowl of whisky punch with Parham:

"Tell Rutter that I remember him as a lovely spot in memory's waste, as the shadow of a great rock in the desert, as the rose of Sharon, and the lily of the valley; and as the cedar is among the trees of Lebanon so is Rutter among men."

It was proven by Rutter that Mullins received a very large sum to buy others, and as the money was never accounted for afterwards, the virtuous Congressman is to be prosecuted if he does not inform how the money was expended. Rutter, at the instance of the Committee, wrote to him two weeks ago, but has got no answer yet.—Judging from the testimony, about one-half of the members of the House must have been bribed, but the negotiations were carried on in such a way as to make it appear that the money was being borrowed. A single cent, however, was never paid back. The Metropolitan Bank of Washington was somehow mixed up in the matter to the extent of $100,000, which it secured. The testimony proved that outside of the Legislature thirteen thousand dollars was expended for influences brought to bear on that body, and probably members of the Legislature received as high as forty or fifty thousand dollars. The testimony covers about 500 pages of foolscap. It is hard to conjecture what action the Legislature will take in the premises, but it is pretty certain that the stolen fund will not be recovered. In looking over the testimony and correspondence, it is somewhat amusing to see how beautifully bribery and loyalty is blended together, and with what charming naivete Arnell talks about promoting the good cause of Radicalism, while he pocketed his thousands of stolen funds.

A NIGHT HORROR IN A LUNATIC ASYLUM—SHOCKING MURDER ON BLACKWELL'S ISLAND.

The "Lodge"—by which application the small three story building set apart for the worst or most rabid of the lunatics, on the west end of this island, is known—was the scene of a most shocking affair some time during Friday night last, by which the life of a poor demented creature was taken by another in a moment of frenzy, and the deed was mainly owing to the apparent mismanagement of the authorities in not properly guarding against the danger to which the inmates of the institution are at present so much exposed. The facts in the case are as follows: There are about 1,300 inmates in the four structures set apart for lunatics on the island in question, all of which are occupied, the "Lodge" being filled to repletion. The accommodations here are so meagre that it has been found necessary for several months past, in order to meet the demands of the increase in the number of unfortunates, to cause their sleeping two in a cell, instead of one as heretofore, when the patients are dangerous and liable to do bodily harm to one another. Each of these apartments is furnished with an iron bedstead and a wooden tub, or "kid," of heavy oak, such utensils being essential. The patients are locked up in their rooms at six o'clock each evening, and are not released again until five o'clock the next morning. On Friday night one of the female lunatics confined in this department arose from her couch, and in a paroxysm of madness seized the heavy tub at the side of the cot and raising it above her head brought it down with terrific force upon the skull of her sleeping comrade, crushing it in and killing her instantly. The shrieks and howlings in the lunatic asylum are so familiar to the ears of their keepers as to attract little or no attention at any time during the night; hence, if any noise was made by the victim in her struggles it was not noticed. At five o'clock, when the female keeper of the ward in which the horrible affair transpired threw open the door of the cell, great was her horror in beholding the maniac murderess and her murdered companion lying side by side in their gory cot, a ghastly spectacle indeed. The bed clothing was saturated with blood, which dripped slowly from the pendant covering and streamed over the floor of the room, while the brains of the dead woman, which had been literally scooped out with the fingers of the murderess, lay scattered about and bespattered the walls. The demented woman was removed immediately from the cell, and the circumstances attending the affair were kept so strictly private as to elude the observation even of nearly every one about the place. The remains of the deceased, whose name has not transpired, were coffined quietly and expeditiously, and were interred without delay. She was about twenty-six years of age, and had neither friend nor relative living in this vicinity. The murderess is of course irresponsible for the act.

The facts narrated above have been obtained from an employee of the asylum, but the names of the parties concerned in the tragedy were not disclosed.—*Herald.*

LIFE INSURANCE.

THE KNICKERBOCKER MUTUAL LIFE INSURANCE COMPANY, OF NEW YORK.

Southern Branch, SAVANNAH, Ga.,

A. WILBUN, *Manager.*
R. D. ARNOLD, *Consulting Physician.*

THE ONLY BRANCH OFFICE OF LIFE INSURANCE IN THIS SECTION WHERE POLICIES ARE ISSUED AND LOSSES PAID.

ASSETS NEARLY

$ 5,000,000.

ANNUAL INCOME NEARLY

$3,000,000.

Annual Dividends nearly 50 per cent.

$73,500 LOSSES PAID BY THE SOUTHERN BRANCH IN TWO YEARS.

THE KNICKERBOCKER IS AN OLD, RELIable Company, and offers as great inducements to insurers as any solvent Company can. Issues Policies on every desirable plan. Loans one-third of Premium to Policy-Holder.

All Policies non-forfeitable, as the insured can at any time, on demand, get its surrender value.

NO RESTRICTIONS ON RESIDENCE OR TRAVEL.

NO EXTRA CHARGE for OFFICERS of the ARMY or NAVY. Officers of first-class Steam or Sail Vessels, or Railroad Conductors, &c.

The "KNICKERBOCKER" is ONE of the TWO Northern Companies whose Policies in the South were kept intact during the entire Rebellion, whose Dividends were accredited to Policy Holders as though Premiums were paid.

And is THE Company that paid all losses after the war, that occurred during the war, thus proving its integrity, the honorable method of conducting its business, and its indisputable solvency.

The KNICKERBOCKER still pays all losses, never disputes a just claim, and is as liberal and SAFE as any Company in America.

Importance of Life Insurance.

Read another forcible illustration of how the CONNECTICUT MUTUAL LIFE INSURANCE COMPANY pays its losses:—

"Received, at Raleigh, N. C., Jan 28th, 1869 of S. D. Wait, General Agent of the Conn Mutual Life Ins Co., two thousand five hundred and forty five dollars, in full payment of Policy No. 84,031, and dividend on the life of my late husband, ——, and I hereby surrender all my right, title and interest in the same to said Company.

(Signed) ——, of Newberry, N. C."

We refrain from publishing the names of the parties, because we do not think it advisable to publish one's private business, but will state although the party had not been insured quite five months, yet received a 50 per cent. dividend of $45 on the premium paid. The dividends of this Company have been larger than those of any other, averaging over 50 per cent. annually, from the beginning, and the present dividend (Feb 1st, 1869,) exceeds the average. On this fourth annual dividend the Directors have, besides declaring a 45 per cent. dividend upon the premium paid, declared a per centage dividend on the surplus reserve arising from interest, which increases the policy holder's dividend annually, and on some policies pays over 70 per cent. this year. They have also adopted a *reduced all-cash premium table* with immediate annual dividends.

This company is purely mutual; there are no Stockholders to absorb its earnings. It offers abundant security in a large accumulated fund of over TWENTY-THREE MILLIONS DOLLARS, derived alone from its business, and has $1.04 a cent entirely invested for every $100 of its liabilities. Its plans of business comprise all the desirable forms of insurance. S. D. WAIT,

It has $130 Assets for every $100 Liabilities.

Its premium receipts at the present time are nearly HALF A MILLION DOLLARS per month and are rapidly increasing.

The growth of the Ætna has never been equaled by any other Company whatsoever, in Europe or America.

Particular attention is called to the fact that while its business is increasing unprecedentedly, its ratio of expenses is comparatively small.

ECONOMY of management, CARE in the selection of risks, *promptness* in the payment of death claims, and *security* in the investment of its immense Trust Funds, are rigidly adhered to, and have ever characterized this Company.

The ÆTNA issues all the favorite kinds of Policies at the most favorable rates.

The ÆTNA issued last year more Endowment Insurances than any other Company.

The ÆTNA'S ratio of expenses, or cost of new business is less than any other Company whatsoever, and less than *two-thirds* of the average.

The ÆTNA is as liberal in permits to travel, in all parts of the world, as a sound discretion will warrant, and is much more liberal than any other prominent Company.

ANNUAL INCOME over $6,000,000.

The only Company that has the Low Participating Non-forfeitable Term Insurance with privilege of renewal. Ex. of rate at age 30 $14 67, which is nearly 40 per cent. lower than any other leading Company. Also

Non-forfeiting cash rates with dividends on contribution plan and payable at the end of the first year.

Description of Policies.

First—Whole Life Policies,

Second—Endowment Policies, for terms of ten fifteen, twenty, twenty-five, thirty, and thirty-five years.

AGES.

Insurance will be granted at all ages from fifteen to sixty years.

PREMIUMS.

Premiums are payable annually during the continuance of the insurance, or annually during a period of five, ten, fifteen, or twenty years within the insurance term, or by single payment.

DIVIDENDS.

All Whole Life and Endowment Policies, issued at the rates published herewith, will participate in the surplus from the date of issue,

The dividends will be declared and paid annually upon the contribution plan, and may be applied as the assured shall elect, either to reduce future premiums, or to increase the Cash Value of the Policy.

If no election be made the dividends will be added to the Cash Values.

When, by adding the dividends to the Cash Value, the accumulations on any Policy shall have become sufficient to keep the same in force for its *full amount*, without further payments, the assured may, at his option, either continue payment of premiums—and enlarge thereby the annual additions to its Cash Value—or discontinue them; and in either case, when the accumulations shall have become equal to the sum insured, the annual dividends on the Policy will be declared as a per centage of said sum, and *paid* in cash, and upon surrender of said Policy the sum insured thereby will be paid in *full*, without regard to the time fixed therein for its payment.

The system of applying the dividends is peculiarly advantageous to the assured, securing, at an increased age, not only relief *from* further payment of premiums, but, at the same time, an annual income until death, unless he shall have previously received full payment of the Policy.

Dividends on paid-up Policies—that is, Policies which require no further payment of premium to continue them in force for the original amount of insurance—will be paid in cash upon demand.

NON-FORFEITURE RULES.

No whole Life or Endowment Policy, on which two or more annual cash premiums have been paid, shall be forfeited by failure to make further payment as stipulated therein, but will continue in force for the full amount which the Cash Value and dividends, then accumulated, will purchase, taken as a single net premium, upon the "Actuaries" rate of mortality and four per cent. interest; and the amount continued in force will generally exceed the aggregate of the payments actually made, extra charges excepted.

LIFE INSURANCE.

The Most Vigorous and the Most Liberal Insurance Company in the Country.

BROOKLYN LIFE INSURANCE COMPANY,

141 Broadway, N. Y.

ASSETS OVER

$1,000,000!

CHRISTIAN W. BUCK, ... President.
ABRAM D. POLHEMUS, ... Vice President.
WILLIAM M. COLE, ... Secretary.
D. F. PACKER, ... Consulting Actuary.
DANIEL AYRES, M. D. LL.D. Med. Examiner.

POLICIES ISSUED AS GOOD AS UNITED STATES BONDS.

POLICIES VALUABLE IN LIFE AS AT DEATH!

The BROOKLYN LIFE is the only Company in the country which guaranties a definite surrender-value to every Policy on which two or more annual premiums have been paid; this amount, in dollars and cents, is endorsed on every Policy issued. Should any Policy-holder become unable to pay his premiums, he can thus know the cash worth of the Policy at any time after two annual premiums have been paid.

This certainly is the greatest inducement and most tangible advantage ever accorded to parties insuring their lives.

Among the advantages offered by the BROOKLYN, which thoroughly evince the determination of the officers to make it the most liberal Life Insurance Company in the United States are:

1st. TOTAL REMOVAL OF ALL RESTRICTIONS ON TRAVEL AND RESIDENCE. The Assured may travel or reside anywhere they choose in the world over, without extra premium or special permit.

2d. A Loan of one-third of the Premium to the Policy-Holder Annually.

3d. All Policies are non-forfeitable after two full annual premiums have been paid.

4th. Rates as low as are consistent with financial soundness, and less than those of almost all Companies which accommodate their assured with loans.

5th. Dividends annually (after second year) in cash. Dividends are divided on the CONTRIBUTION PLAN—the only equitable manner of dividing the earnings of a Life Insurance Company. The Contribution Plan was first conceived by Mr. D. F. Packer, now Actuary of this Company and has been adopted by most of the best managed Life Companies in this country.

The BROOKLYN LIFE has paid and now pays to its Policy-holders LARGER DIVIDENDS than ever before paid by a Life Insurance Company!

6th. Promptitude in paying losses.

7th. No charge for policy or stamp.

The success which the "BROOKLYN" has achieved, fully exemplified in its rapid and healthful growth, is a convincing proof of the confidence reposed by the public in its soundness, integrity and liberality.

Auditor Adams takes one of the rooms occupied by the Secretary of State (carpet-bag Menzinger.) We hope he will have the dirt and mildew off his papers, before the Supreme Court exhibits them again to the public. We understand the Auditor, in great distress, has often cried and boohooed at the indignity offered to himself, his office and his papers. Dry your tears, Henderson, "smooth, compose," and take up your papers.

"Take them up tenderly,
Lift them with care;
Fashion'd so slenderly,"
Old, and so foul not fair
The Court owning the weakness,
And evil behavior,
Have left in all meekness,
The question with Holden
Their petition serious.
Oh, it was pitiful
In a whole city full—
Room you had none,
Make no deep scrutiny
Into this Court's mutiny,
Put up with your papers,
"Take them up tenderly
Lift them with care."
Papers so dirty, and papers so rare.

Coleman, the Attorney General, has been moved into one of the Governor's rooms, on the first floor of the Capitol. This will give consolation to brother Welker, Senator from Guilford, who said the "Demijohn should be moved." By some, he is thought to have alluded to the Attorney General; by others, he is thought to have alluded to the "cussing" Governor's beloved friend, and State proxy for the North Carolina Railroad, the "pious" General Laflin, of New York, representing Pitt county. The Governor should telegraph him, now that he is North, to remain at home in New York, lest he should return and die on our hands, for he gets "*mighty sick, mighty often.*"

Putting the Demijohn in the Governor's room, it is to be hoped, will supercede the necessity of his profane Excellency's going so often to the grog shops for whiskey.

When old John Brown was hung, one of the Editors of the *Standard* vowed he would see him executed. He witnessed that sight, that gave our swearing Governor so much pleasure. He even brought a part of the rope home that choaked the old Saint, John. The Governor saw it, hand'd it, looked on it with delight. It may be he has it now, as he has the gold pen with which he signed the ordinance of secession, to hand down as an heir-loom to his posterity.

Draw your rope, Governor. Hand it to the Treasurer, 65 Dave; instruct him to tie the Attorney General in his new office, to keep him out of grog shops, and out of fights with the Speaker of the House, long enough for him to deliver a few more Constitutional opinions, such as "a mortgage deed needs no stamps,"—and a full opinion on the Everitt case of Halifax, which he and Judge Watts went down, with your millitia, to investigate.

If your love, your engaging manners, and your John Brown rope, can't hold him, tell Dave, your Treasurer, "in whom you have confidence," to give him a little tight rope practice, such as he gave the old negro woman in Gaston. Dave has more skill in the use of the tight rope, than he has in the sale of bonds.

Hanging Coleman, would create a vacancy, which it is intended Victor Barringer shall fill. Then, Governor, if you will lend your rope to Victor's old Constituents at Big Lick, in Stanly County, they will hang Victor, for his treason in betraying them into secession in 1861. We know the Big Lick people; they were the most determined Union people of the South or North, either.

The sons of the most respectable men of that or any other county, were shot during the war, because they would not fight against the "Union and the flag;" and it has been said, that Judge Rodman, as Confederate military Judge, gave the orders for many executions. Yes, we have heard that this loyal secesh Judge, not in haste to inflict the death penalty on Union men, would, in mercy, give the married ones time to write home and say,

"Farewell to home, and to life,
Farewell to children and wife."

Every victim, married or unmarried, as he rode on his coffin to his grave, by order of the Judge, was allowed to say,

"Brothers, my day now gloams into night,
God give you the victory in the next coming fight!
And brothers, God grant when this life is o'er,
In the life to come we meet once more."

And so they perished, by the order of the loyal Rodman, with the approval of the loyal Governor, Holden. If the Governor will send his rope and Judge Rodman, to Big Lick, or Randolph, the people of either locality can work a vacancy on the Supreme Court bench for the loyal Col. Bynum, of Lincoln, to fill.

Upon inquiry as to the number of priests in the Senate, we learn there are seven Licensed Ministers, and the Senate not prayed for. We wanted to know the number in the House, and had reckoned Cuffee Mayo among them, but a little negro informs us, uncle Cuffee is not licensed, but is only an "exhauster"—(he must exhorter.) If, out of seven Ministers, the Senate can't have prayers, we say, call in "uncle Cuffee."

Now, that peace reigns in the Capitol, let prayer be heard in the Senate.

Judgment Overtakes the Wicked!

THE STANDARD TRIPPED!

MR. GALLOWAY OF THE W. & W. R R. DESERVES THE THANKS OF THE TAX PAYERS OF THE STATE.

It will be remembered that Mr. Galloway, of the Wilmington & Weldon Railroad, as one of the tax payers of the State, filed a bill and obtained an injunction against the Chatham Railroad Company. This injunction has been continued and made perpetual by the Supreme Court.

To get this bill through the Legislature, the absent Editor of the *Standard* is said to have received a fee of $100,000.

The bill appropriating $200,000 dollars for the Road; this decision will cripple or stop many other wild schemes which the Governor and his irresponsible Legislature, are now struggling to impose upon the people of this State. This legislature paying little or no tax themselves, seem blind, reckless, and indifferent as to the tax they impose upon the people.

LOYAL SAM BOB, IN TROUBLE.

Yesterday, an honest old freedman, Sam Bob, who raised a crop of tobacco on the plantation of a widow lady in this county, could be seen on the street in great agony and distress, because Gen. Bennett, Supervisor of Internal revenue, had seized his tobacco, which had not yet been divided between the tenant and the landlady.

We are informed that the tobacco was hanging on the sticks in the shed and body of an old tobacco factory, where it had been stored in its green state for curing.

"The best government in the world," should not treat its subjects so; and we have no doubt that loyal Sam Bob's tobacco will be restored as soon as the General is properly informed as to the facts of the case.

This is good weather for stripping tobacco, and Sam Bob should have his returned to him, that he may strip it—the government will not be able to use it in its present shape. If many poor negroes steal, every encouragement should be given to those, who, like Sam Bob, live by their work, instead of their wits.

HOW THEY LABOR, OUR JUSTICE IN NASH.—DECISION OF ONE OF HOLDEN'S SQUIRES.—From a letter received from the county of Nash, we are told that Charles E Sear, of said county, is an acting Justice of the Peace, by virtue of a commission from W. W. Holden, Governor of North Carolina. The Governor "reposes confidence" in Sear, to the extent of three offices, to-wit: Justice of the Peace, County Commissioner, and Militia Colonel.

It seems, that a Mr. Hegpeth, farmer, hired a negro to work with him, for a part of the crop. The negro left Hegpeth early in the year, 1868, and H. attended, made and saved the crop, *himself*. After the housing of the crop, the negro claimed a part of it, and sued for it, and the case came up before Sear, who decided in favor of the negro, and the constable levied on, and sold the cow of Hegpeth, to raise the amount in money claimed as the value of the crop due the negro. The cow was sold, and Sear bought her, for about half her value.

Below, we give the Constables advertisement of sale, *verbatim*, the original notice having been sent us:

PUBLICK NOTICE

SUPREME COURT.

Opinions delivered as follows:

BY PEARSON, C. J., In Mitchenor ex. Atkinson from Johnston—decree for plaintiff—defendants to elect to take against or under the will; defendants entitled to a reference, former decree reversed so far as inconsistent with this opinion. Cause stands for further directions. In Kase ex. McCarthy, from Wake, error, judgment reversed.

BY READE, J., In the State ex. Harston, from Surry, error, *venire de novo*. In Hogan ex. Hogan, from Orange. Report to be reformed, and reference to Clerk, if desired.

BY RODMAN, J., In Jacobs ex. H. K Burgwyn and T. P. Burgwyn, from Northampton, "error in the Court below—as far as it sets aside the judgment, his judgment is reversed; so far as it sets aside the execution, it is affirmed—neither party to recover costs in this Court."

In Jacobs ex. T. P. Burgwyn and S. E Burgwyn, from Northampton, no error.

By DICK, J., In Rogers *ex rel.* Hart *et al.* ex. Patrick, from Pitt, no error. In Saunders ex. Saunders, from Macon, bill dismissed.

By SETTLE, J., In Combs ex. Harshaw, from Cherokee, *venire de novo*. In Peebles ex. N. C. R. R. Company, Judgment affirmed.

DISAFFECTION.—It is "common talk," among the native scallawags, that a new party is to be the result of the clamor and apparent disaffection among the Radicals. It is understood our "beloved" Governor will run with the extremes, and *hold* with the moderates. The dissolution is near at hand, and the carpet-baggers will be left out in the cold. We look for rich developments. The "big Indian" must use his scalping knife and tomahawk.

The Republican House of Representatives of the State of Louisiana, on the 12th, refused to adjourn for one day, in order to testify their respect for the memory of Abraham Lincoln, whose birthday it was. Republics are ungrateful, and so are Republicans.

Legislature of North Carolina.

SENATE.

FRIDAY, Feb. 19, 1869.

UNFINISHED BUSINESS.

Bill to provide for the collection of taxes by the State, and by the several Counties of the State, on property, polls and incomes.

Mr. Osborne moved that its further consideration be postponed until Wednesday next, upon which a debate arose, which continued exactly *fifty minutes*. The Senate refused to postpone, and the consideration of the bill was resumed.

The 26th section of the bill authorizes the Sheriff to collect, as a penalty, two per cent. per month of all delinquent tax payers, additional, from the date that those taxes are due. On motion of Mr. Richardson, it was stricken out.

NAYS.—Messrs. Barrow, Bellamy, Davis, Hyman, colored, Lassiter, Osborne and White—7.

The bill was considered at length, pending its consideration, about 20 motions were made to adjourn, finally the Senate adjourned until to morrow at 10 o'clock.

[The reporter was in error, in stating yesterday, that Mr. Davis had obtained leave of absence.]

HOUSE OF REPRESENTATIVES.

FRIDAY, Feb. 19, 1869.

The House was called to order at the usual hour.

Prayer by the Rev. Mr. Hudson, of the Methodist Episcopal Church, of the City.

Mr. Hinnant, from the Committee on Enrolment, reported the following bill and resolution, as being correctly enrolled, to wit:

Bill to incorporate the North Carolina Purchase and Trust Co.

Resolution authorizing the sale of the State's interest in the Wilmington & Manchester and Wilmington & Weldon R. R. Co.

J. H Harris, of Wake, colored, from the Committee on Propositions and Grievances, reported unfavorably upon Mr. Vest's bill to amend the Constitution so as to allow females to vote, and favorably upon the bill to authorize the Commissioners of Alamance County to issue license to sell liquor at the Company Shops; also favorably upon the bill authorizing the appointment of a Tax Collector for Pasquotank County.

On motion of Mr. Painter, the rules were suspended, and the bill authorizing the Commissioners of Jackson County to issue bonds, was taken up.

The bill, after being amended in some particulars by Mr. Painter, passed its third reading by a vote of yeas 76 nays 7.

A message was received from the Governor, transmitting the report of Jacob Siler, Esq., Agent for the State, for the collection of Cherokee bonds.

On motion of Mr. Robinson, the report was referred to the Committee on Finance.

Mr. Barnett, from the Committee on Corporations, reported favorably upon the following bills, viz:

Bill to extend the limits of the town of Goldsboro, with amendments.

Bill to incorporate the Sparkling Catawba Springs Company.

Bill to incorporate the Wilmington Steam Fire Engine Company.

Bill to incorporate the Washington School.

Bill to incorporate the Middle Falls Manufacturing Company.

Bill to enable the Chatham Railroad to complete its Road.

Bill to establish the Wilmington Water Works Company.

The bills were placed upon the Calendar.

By consent: Mr. Seymour introduced a bill to amend the act concerning the government of counties. Referred.

On motion of Mr. Stiller, the rules were suspended and the bill in relation to the Lunatic Asylum was taken up and passed its several readings.

The hour having arrived for the special order, to wit: An act for the better protection of mechanics and other laborers; when

On motion of J. H. Harris, of Wake, colored, its consideration was postponed until Wednesday next, at 11 o'clock.

The consideration of the bill in relation to the above matter was resumed, when,

On motion of Mr. Malone, it was ordered to be printed and made special order of Monday next at 12 o'clock.

A message was received from the Senate concurring in, and amending House bill No. 408, to amend title 6, section 68, Code of Civil Procedure.

On motion of Mr. Malone, the House refused to concur.

The Chair appointed Messrs. Malone, Seymour and Barnett, as a Committee of Conference, in regard to the matter.

A message was received from the Senate informing the House of the passage of House bill 419, to authorize the Commissioners of Surry County, to improve the road from John Allen's to the top of the Blue Ridge, with amendment.

On motion, the House concurred in the amendment, and the bill ordered to be enrolled for ratification.

Another message was received from that body, informing the House of the passage of the House resolution, providing a room for the Superintendent of Public Works with an amendment, including the "Auditor."

On motion, the Senate's amendment was concurred in and the bill was ordered to be enrolled for ratification.

Another message was received from the same body informing the House of the passage of House bill No. 331, to amend section 2 of the act to change the time of holding Courts in the 8th, 9th, 10th, 11th and 12th Judicial Districts. The bill was ordered to be enrolled for ratification.

Mr. Barnett, from the Committee on Corporations, reported favorably upon the bill to submit to a vote of the people the various Rail road appropriations. The bill was placed upon the calendar.

On motion of Mr. Barnett, the bill to enable the Chatham Railroad Company to complete their Road, was made special order for Monday next, 1 o'clock.

Mr. Barnett said he would particularly request the members to take especial care of the bill entitled an act to submit to a vote of the people certain appropriations for building Railroads. He considered it the most important bill yet submitted to the Legislature.

On motion of Mr. French, the rules were suspended and his resolution proposing to annex certain counties of Virginia to this State was taken up.

Mr. Malone moved to amend by adding "Cuba."

Mr. Seymour said as it would have the effect of carrying the whole bill, therefore he would move to lay the amendment on the table.

The motion of Mr. Seymour was put to a vote and lost.

J. S. Leary, colored, moved to amend the amendment by saying the "Argentine" Republic.

Messrs. Malone, Bowman and others opposed the resolution in remarks of length.

Mr. Seymour moved to indefinitely postpone the whole matter.

Mr. Jarvis said this was a matter in which he was concerned and he was sorry that he should have to vote against the resolution, as the principles expressed in it were repugnant to his politics. He was sorry that he was compelled to oppose the resolution, as he knew that four fifths of the people of that city were in favor of being annexed to this State, as an informal vote had been taken in that city, in regard to the matter, and five sixth of the people favored it, and had petitioned their Legislature to consent to the separation, as they refused. He was sorry that he could not support the resolution, as Norfolk, geographically, belonged to this State. But notwithstanding the reasons why he should support the measure, yet, the principles enunciated in the resolution were so utterly repugnant to his political faith that he could not support it.

After some further debate the motion to indefinitely postpone was adopted by a vote of yeas 54 nays 28.

The report being of interest, will be concluded in our next issue.

[From the New York Herald.]

GENERAL GRANT AND THE TENURE-OF-OFFICE ACT.

General Grant is the first President who comes into power under the law made and interpreted to tie the hands of Andrew Johnson, and in virtue of which it will be a waste of time and paper for him to send in any list of appointments to office, unless he has previously had his understanding with the Senate on each particular name. Every person now holding an office not limited by law is entitled to hold the same until the Senate shall confirm his successors. Only an act of the Senate can affect his tenure. He is as little dependent upon the President as upon the Khan of Tartary. He is a perpetual incumbent, for all that the President can do or say—so long as he can muster sufficient influences to prevent a vote in the Senate, confirming his successor; and it is a crime for any other person to endeavor to perform the duties of his office until such successor be qualified. But the President can make removals for cause. Within very narrow limits he can. He cannot remove a collector, or other subordinate, because, in his opinion, such person does not honestly do his duty; for if the Senate has a different opinion as to the man's performance of his duty in he case of appointment, the President may suspend officers, "in such case and no other." That is the limit of his power. And that reduces his power to the minimum, for it is clear, in view of such votes as we have seen given in the Senate, that a man can hardly commit crimes enough to get the condemnation of the Senate if he does his party spiriting gently and shrewdly.

With the President's power thus cut down to nothing in appointing to office, how must we understand the fact that General Grant regards the appointment to offices as the first important function he has to perform? Will he disregard this tenure of office law? There are some good reasons for believing that he will, and that he does not fear the result of conflict with the Senate on the constitutionality of that act.

THE MISSISSIPPI DELEGATION AND GEN. GRANT—A SATISFACTORY INTERVIEW.

[Special Correspondence Baltimore Gazette.]

WASHINGTON, February 14.—Yesterday, soon after General Grant had received the official announcement of his election as President of the United States, he was called upon by Hon. Albert G. Brown and his colleague Judge Stansell, of Mississippi, accompanied by Judge Sharkie and the venerable Francis P. Blair. Mr. Blair introduced the Mississippi delegation, when the party were invited to be seated. Governor Brown proceeded to call the attention of General Grant to the bill reported on Friday by Mr. Boutwell from the Committee on Reconstruction. The General remarked in a jocular way, "I slept late this morning, gentlemen, and had no opportunity to read the bill," and requested that its features might be explained. Gov. Brown stated that the bill provided that the late Convention might re assemble and appoint a Provisional Governor of the State, and order a new election. The objection the delegation urged to this was allowing the Convention to appoint the Provisional Governor, as they desired that the appointment of that officer be left to President Grant himself. The General quickly comprehended the whole case, and even surprised the delegation by suggestions which seemed to offer an easy and speedy solution of all their difficulties.

Governor Brown promptly replied that he would undertake to say that the people of Mississippi would, with a unanimity never before known, sanction the General's views, which extend even to the mode and manner of securing a fair election.

It is now believed that the bill reported from the Reconstruction Committee will be so amended as to give the appointment of the Provisional Governor to the President instead of to the "carpet-bag" convention.

Gen. Grant left upon the minds of the delegation a very decided impression that he was determined to have peace.

FALL OF A CROWDED GALLERY IN NEW ORLEANS.

From the New Orleans Picayune, February 10.

Just as the advance of the Mystic Krewe of Comus, last evening, had arrived opposite the stationery establishment of Paul J. Christian, No. 38 Camp street, and a vast concourse of people thronged the payments and gallery on either side of the street, the gallery of Mr. Christian's store was heard to crack, and a shout went up from those in the vicinity, of "the gallery is falling." Instantly those who were beneath it sprang away, and were saved from a terrible death, for the next moment the large shed, with all its freight of human beings, fell with a fearful crash. Mrs. Tolbert had her ankle crushed and dislocated. Mr. Christian had his back injured; his little daughter was thrown from the gallery into the gutter, but escaped uninjured. Several other parties, whose names we have been unable to obtain, were slightly injured, and were carried home.

The gallery of Mr. Christian's store was not properly supported, having no pillars nor props beneath, and held up only by several iron bars running from its outer edge to the wall above. Too many of our balconies are stuck up in a similar manner, and the only wonder is that more accidents have not occurred. When the gallery fell several incidents occurred worthy of note. One lady grasped an iron rod upon which she was leaning, with both hands, and was suspended in mid air for some time. She finally slipped down near the end of the bar, however, and was safely landed on *terra firma*. Another lady, standing on the sill of a window, and resting her hand upon the lower bar of the raised sash, finding herself suddenly grasped around the waist by a lady who was standing on the falling gallery, with wonderful presence of mind thrust her hand and arm through a pane of glass in order to obtain a better hold with her arm, and in this manner actually supported the lady clinging to her until both were rescued.

The Krewe halted as long as there was necessity for assistance, and then proceeded on its march.

The New York *World* mentions the arrest in that city of a bran new carpet-bag county treasurer just from Tennessee with $13,000 stolen money.

Everything around us admonishes us of the vital importance of escaping carpet bag rule. We must with one voice appeal to Gen. Grant to save us.—*Rich Whig.*

Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this pill; but efficient purgative *Pill*. The obvious reason is, that it is a more reliable and far more effectual *Family Physic* than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends, and all know that what it does once it does always—that it never fails through any fault or neglect in its compositions. We have, and can show, thousands upon thousands of certificates of remarkable cures of the following complaints, but such cures are known in every neighborhood, and why should we publish them? Adapted to all ages and conditions in all climates; containing neither calomel or any deleterious drug, they may be taken with safety by anybody. Their sugar coating preserves them ever fresh and makes them pleasant to take, while being purely vegetable no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring their irregular action to health, and by correcting, wherever they exist, such derangements as are the first origin of disease.

Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—

For **Dyspepsia** or **Indigestion**, **Listlessness**, **Languor** and **Loss of Appetite**, they should be taken moderately to stimulate the stomach and restore its healthy tone and power.

For **Liver Complaint** and its various symptoms, **Bilious Headache**, **Sick Headache**, **Jaundice** or **Green Sickness**, **Bilious Colic** and **Bilious Fevers**, they should be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For **Dysentery** or **Diarrhœa**, but one mild dose is generally required.

For **Rheumatism**, **Gout**, **Gravel**, **Palpitation of the Heart**, **Pain in the Side**, **Back** and **Loins**, they should be continuously taken, as required, to change the diseased action of the system. With such change those complaints disappear.

For **Dropsy** and **Dropsical Swellings** they should be taken in large and frequent doses to produce the effect of a drastic purge.

For **Suppression** a large dose should be taken as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus. Their **Alterative** effect, also, is a potent principle which we cannot enumerate here, but they suggest themselves to everybody, and where the virtues of this *Pill* are known, the public no longer doubt what to employ.

Ayer's Cherry Pectoral,

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

Probably never before in the whole history of medicine has anything won so widely and so deeply upon the confidence of mankind, as this excellent remedy for pulmonary complaints. Through a long series of years, and among most of the races of men it has risen higher and higher in their estimation, as it has become better known. Its uniform character and power to cure the various affections of the lungs and throat, have made it known as a reliable protector against them. While adapted to milder forms of disease and to young children, it is at the same time the most effectual remedy that can be given for incipient consumption, and the dangerous affections of the throat and lungs. As a provision against sudden attacks of *Croup*, it should be kept on hand in every family, and indeed as all are sometimes subject to colds and coughs, all should be provided with this antidote for them.

Although settled *Consumption* is thought incurable, still great numbers of cases where this disease seemed settled, have been completely cured, and the patient restored to sound health by the *Cherry Pectoral*. So complete is its mastery over the disorders of the Lungs and Throat, that the most obstinate of them yield to it. When nothing else could reach them, under the *Cherry Pectoral* they subside and disappear.

Singers and Public Speakers find great protection from it.

Asthma is always relieved and often wholly cured by it.

Bronchitis is generally cured by taking the *Cherry Pectoral* in small and frequent doses.

So generally are its virtues known that it is unnecessary to publish the certificates of them here, or do more than assure the public that its qualities are fully maintained.

To the People of the Southern States.

NEW YORK, Nov. 3, 1868.

When the pure medicinal restorative, now so widely known as Wolfe's Schiedam Schnapps, was introduced into the world under the endorsement of four thousand leading members of the medical profession some 20 years ago, its proprietor was well aware that it could not wholly escape the penalty attached to all new and useful preparations. He, therefore, endeavored to invest it with strongest possible safeguard against counterfeiters, and to render all attempts to pirate it difficult and dangerous. It was submitted to distinguished chemists for analysis, and pronounced by them the purest spirit ever manufactured. Its purity and properties having been thus ascertained, samples of the article were forwarded to ten thousand physicians, including all the Leading practitioners in the United States, for purposes of experiment. A circular, requesting a trial of the preparation and a report of the result, accompanied each specimen. Four thousand of the most eminent medical men in the Union promptly responded. Their opinions of the article were unanimously favorable. Such a preparation, they said, had long been wanted by the profession, as no reliance could be placed on the ordinary liquors of commerce, all of which were more or less adulterated, and therefore unfit for medical purposes. Its peculiar excellence and strength of the oil of juniper, which formed one of the principal ingredients of the Schnapps, together with its mingled character of the alcoholic element, give it, in the estimation of the faculty, a marked superiority over every other spirit, as a stimulant, tonic and restorative.

These satisfactory credentials from professional men of the highest rank were published in a circular some time, and elsewhere with each bottle of the Schnapps, as one of the guarantees of its genuineness. Other precautions against fraud were also adopted; a patent was obtained for the article, the label was copyrighted, a *fac simile* of the proprietor's autograph signature was attached to each label and cover, his name and that of the preparation were embossed on the bottles, and the corks were sealed with his private seal. No article has ever been sold in this country under the name of Schnapps prior to the introduction of Wolfe's Schiedam Schnapps, in 1851; and during that year it disposed of far more than, in the United States Courts for the Southern District of New York during that year.

It might be supposed by persons unacquainted with the daring character of the pirates who prey upon the reputation of honorable merchants by vending deleterious trash under their name, that the protection so carefully thrown around these counterfeits would prevent the introduction of any case of counterfeit. They seem, however, only to have encouraged the piracy of impostors. The trade mark of the proprietor has been stolen; the endorsement which his opinion of Wolfe's Schiedam Schnapps alone received from the medical profession has been claimed by mercantile numbers; his labels and bottles have been imitated, his advertisements parodied, as exquisite as not, and worst than all, obstructive referees after disposing of the genuine article of his bottles, have filled them up with counterfeits of the most atrocious character, and even with common extract of the bark of the Italian juniper, of the coarsest purity. By a process known in the preparation of any other liquor, it is freed from every acrimonious and corrosive element.

Complaints have been received from the leading physicians and families in the Southern States of the case of cheap imitations of the Schiedam Aromatic Schnapps in those markets; and travellers have even stated that instead of using it as an antidote to the baneful influence of unwholesome drinking waters, twenty fast cheap gin, put up in Schiedam bottles, is frequently palmed off upon the unwary. The agents of the undersigned have been requested to institute inquiries on the subject, and so forward to him the names of such parties as they may ascertain to be engaged in this atrocious system of deception in counterfeiting the labels of the bottles of the genuine article. The undersigned would say that he has proceeded, from time to time, to the most distinguished men of science in America, proofs that the purity and medicinal excellence of the Schiedam Aromatic Schnapps; that he has expended many thousand dollars in surrounding it with guarantees and safeguards, which he designed should protect the public and himself against imminent imitations; that he has shown it to be the only liquor in the world that can be entirely depended upon as unadulterated; that he has challenged investigation, analysis, comparison, and experiment in all its forms; and from every ordeal the preparation which bears his name, seal and trademark, has come off triumphant. He therefore feels it a duty he owes to its acknowledged purity, to the medical profession and the sick, to denounce and to expose the charlatans who counterfeit these evidences of identity and he calls upon the press and the public to assist him in his efforts to remedy so great an evil.

The following letters and certificates from the leading physicians and chemists of this city will prove to the reader that all goods sold by the undersigned are as they are represented to be.

UDOLPHO WOLFE.

I feel bound to say, that I regard your Schnapps as being in every respect pre-eminently pure, and deserving of medical patronage. At all events, it is the purest possible article of Holland Gin, heretofore imported into this country, and as such, may be safely prescribed by physicians.

DAVID L. MOTT, M. D.,
Pharmaceutical Chemist, New York.

29 PINE STREET, NEW YORK, Nov. 21, 1867.

UDOLPHO WOLFE, Esq., *Present:*

DEAR SIR:—I have made a chemical examination of a sample of your Schiedam Schnapps, with the intent of determining if any foreign or injurious substance had been added to the simple distilled spirits.

The examination has resulted in the conclusion that the sample contained no poisonous or harmful admixture. I have been unable to discover any trace of the deleterious substances which are employed in the adulteration of liquors. I would not hesitate to use myself or to recommend to others, for medical purposes, the Schiedam Schnapps as an excellent and unobjectionable variety of gin.

Very respectfully yours,
(Signed,) CHAS. A. SEELY, Chemist.

NEW YORK, 59 CEDAR STREET, November 26, 1867.

UDOLPHO WOLFE, Esq., *Present:*

DEAR SIR:—I have submitted to chemical analysis two bottles of "Schiedam Schnapps," which I took from a fresh package in your bonded warehouse, and find, as before, that the spirituous liquor is free from injurious

NEW ADVERTISEMENTS.—Improve your sight—embrace this opportunity to consult Dr. Rosentrans, Yarboro House.

Valuable Mills and Real Estate for sale: E. M. Stevenson.

Blind Mule Wanted: First door East of *Sentinel* office.

FOUND.—A note of hand, drawn by John G. Clark, in favor of Jonathan Walker, and assigned to David Walker, for one hundred dollars, bearing date 11th. Dec., 1867. The note has been left with us, awaiting the orders of Jonathan Walker.

CATHOLIC CHURCH.—We are requested to announce to our Catholic friends that there will be Mass in their Church to morrow at 10½ A. M.,—Father H. P. Northrup, the pastor, officiating.

THE North Carolina Land Company of this city, effected a sale of land, in the Eastern part of the State, yesterday, for the snug sum of $30,000. This land has been in the market for twenty years. The sale was made to a Northern gentleman. This Company is, we are glad to say, doing a heavy business in the sale of real estate.

ANOTHER ROBBERY.—Some unknown villain, or villains, invaded the premises of Mr. A. G. Jones, of this County, on Thursday night last, and took a fine horse. Not content with their booty, they broke into his smoke-house and carried off about 300 lbs. bacon. The horse has been recovered. He was found in the vicinity of this city, leisurely feeding by the wayside.

We learn that a few days since as one of the leading members of the Legislature was coming down Fayetteville Street, just after the adjournment, and meeting a lady of his acquaintance he gallantly lifted his hat to salute her when, horror of horrors, out rolled a sand box, an inkstand, three balls of tape, two boxes of *steel* pens, and other petty larceny articles too numerous to mention! Of course, mortification set in at once, and the lady passed with her handkerchief to her mouth, and her face crimson with suppressed laughter.—*Greensboro' Topic.* (*Rad.*)

The above is an out-and-out charge, from Radical quarters, of theft; and it is due the Legislature that the matter should be investigated. The character of the bands is suffering. They have been called, according to Senator Wynne, "a nest of buzzards." Now, one of their number, at least, is charged with the petty larceny of stationery. Let a Joint Committee of investigation be appointed, forthwith. Justice to the Secretary of State demands it. He has been required to give an account of his stewardship, and Senator Wynne says, for himself, that *he* has not used four dollars worth of stationery.

HURRAH FOR THE LADIES!—Our brother of the Morganton *Press*, is responsible for the following. It is suggestive; and we call the special attention of Representative Yost to it:

"We are informed that there is quite a spunky specimen of the "female kind," living in a section of the country not a thousand miles from here. Her husband being in debt, and not having the "wherewith" to pay up, three officers went to his house to obtain possession of property for the satisfaction of said debt. On their arrival at the house they found the "head of the family," but his wife was absent. They having examined the premises, concluded to take an old horse, and accordingly started off with him. When they had gone about a mile they met the "better half," who at once recognized the horse, claimed it as her own property, and demanded its delivery into her keeping. This gentle request was of course refused, and the "better half" finding entreaties were in vain concluded to try what virtue there was in stones. Accordingly she pulled off her bonnet and shawl, and letiate the officers with a "vim," using stones, sticks, and anything else she could lay her hands on with such good will that they were compelled to relinquish their prize and fly to the woods for safety. The woman then jumped astride her "animule" and rode triumphantly home, exclaiming, as she alighted, that she could whip a regiment of such men!

THE CABINET SLATE.—The following "slate" for the Cabinet comes from a source regarded as worthy of an unusual degree of credit. As it is, the slate may be given as the guess of an individual who has means of being well informed, and who, by the process of putting this and that together, may have hit the thing exactly:

For Secretary of State.—Charles Francis Adams.

Secretary of the Treasury.—Senator Morton.

Secretary of War.—John M. Schofield.

Secretary of the Navy.—D. D. Porter.

Secretary of the Interior.—Benjamin F. Wade.

Attorney General.—William M. Evarts.

Postmaster General.—James F. Wilson, of Iowa.

FIRE.—Last night the rear of the building on Grace, between First and Poushee streets, occupied by Colonel D. Lee Powell as a boarding school, caught from the kitchen and was partially consumed. Some of the furniture was burned and a portion injured by the water. The loss is variously estimated. The Rev. Mr. Earle was preaching at the Third Baptist Church near by, when the alarm was given, and several of the congregation were seriously injured in endeavoring to get out.—*Richmond Whig.*

STATE ITEMS.

ROGUERY.—Miss Fanny Thompson, an aged maiden lady lost, suicide, at, town—was administered upon last Friday night by some scoundrels who stole all the meat, chickens, eggs, flour and lard, and left her hardly anything but her bedding and furniture.

Sidney D. Strayhorn lost his axe, last Saturday; Col. McCauley recovered it.—Can't fool McCauley.

T. D. Tinnin, Grocer of this town was relieved of a bolt of cloth 40 yards, valued at 65 cents per yard, last Saturday evening while he was engaged drawing molasses in his back room.—*Hillsboro Recorder.*

A WOMAN HANGS HERSELF.—Delila Davis, residing in 'Sodom,' Person county, buried the troubles and cares of life on last Saturday night by fastening a skein of yarn to her neck and hanged herself. Delila smoked her pipe about bed time, and lounged on the bed until her sisters that lived with her went to sleep—awaking in the morning there was Delila hanging by the neck to the joice in the room. Supposed demented.—*Milton Chronicle.*

SLIGHT FIRE.—Yesterday afternoon a number of barrels of rosin, lying on the wharf opposite to the store lately occupied by Edwards & Smith, caught fire from the sparks emitted from the smoke stack of the steamer *Halcyon*. Through the prompt and vigorous exertions of a few young gentlemen standing near by, the fire was extinguished ere it did much damage. Had the flames once gained an ascendency, they would, in all probability, have communicated to the vicinal buildings, and attempts to quell them would have proved futile, so high was the wind.—*Wil. Star.*

CORRECTION.—The following, as received verbatim from Mr. Lego, appeared in our paper yesterday: "Born at Dover, N. C., Feb. 15th, a daughter to F. W. Lego."—Later in the day, Mr. Lego called upon us, and desired a correction to be made—in forming us that there was also a son born at the same time and that both twins, and mother, are doing well. We cheerfully make the correction, and wish him much success.—*Newbern Times.*

A DEAD DOG.—At the approach of the engine, "Gov. Holden," last Thursday—with the Governor and his friends aboard—a loolish dog ran out upon the track and there stood in bold defiance. The likeness of Gov. Holden upon the engine did not dismay him; he barked—and the resounding hills sent back the fierce echo. The engine rolled on; the flying flags flapped "Columbia forever," the breakman shouted "epluribus unum;" but still that dog stood fast, nor did he move until the spots were mashed out of his lifeless form in place no bigger than a duck pond.—*Hillsboro Recorder.*

THE NEW COUNTY.—A memorial is now before the Legislature praying for the formation of a new county to be composed of portions of Edgecombe, Nash and Wilson, with Rocky Mount as the county seat. It is proposed to take from Edgecombe one of the richest sections of her territory, running seven miles from Rocky Mount in the direction of Tarboro and thence North and South parallel with the Wilmington & Weldon Railroad. To this proposition the *people* of Edgecombe can never willingly consent, and while they are willing to accord all just advantages to the citizens of Rocky Mount (for whose especial benefit the new county is to be formed) they can never agree to surrender what all must concede to be the finest region in our county.

The proposition is universally condemned in all localities except those immediately concerned, and even there by many of the most influential and leading citizens, and from none can we hear any plausible or just reason for the proposed change.

But in order to prevent any action by the General Assembly it is necessary to send up a counter memorial from the people of the county showing what are their true sentiments on this question, and to the importance of this matter we call public attention. But few in the county have heard anything of it and it is now necessary that some decided action should be taken. Let our public men take the matter in hand and quash the whole thing, which can be easily done. We shall have more to say about it hereafter.—*Tarboro Southerner.*

THEY ARE COMING.—We learn that that valuable real estate, known as "The Rowan Mills Place," formerly the property of O. G. Foold, Esq., has been purchased by Mr. S. F. Clark, of Alleghany county, Md., who intends to settle on the same. We have the pleasure of Mr. Clarks' acquaintance and know him to be a very intelligent and enterprising gentleman. We welcome him to our State and our country with great pleasure, and sincerely hope that he will be followed by many more such.—*Old North State.*

THE MILTON CHRONICLE.—C. N. B Evans, Esq., Editor. The *Chronicle* commences a new volume, and we are pleased to hear our friend Evans speak hopefully of its future. The Editor, after speaking of his residence in Danville, as editor of the *Times*, for two years, he speaks of his return to Milton, thus:

"We returned here minus a subscription list—save a few names that had been tendered us after we quit the *Times*. With these we resumed the publication of the *Chronicle*—and, thank God, we are to day prepared to show subscription lists with any paper published in the up-country. Although but a year has elapsed, our list almost equals the largest list we ever had "under the *old* dispensation," and, if God spares us, we expect to exceed it by several hundred, another year. Nearly all of our old patrons have returned to us, [and may God abundantly bless them!] while we have booked many who were never subscribers before.

The *Chronicle* may now be regarded an established institution. Its foundation, to-day, may be said to stand upon a rock, 'used up' by the war—and completely 'cut out' of business by the force of circumstances in Danville, beyond our control, we returned here to try the experiment of re-establishing the *Chronicle*, and we have succeeded, far beyond our expectations.—Again we begin to 'feel at home,' and there's no question but that we sleep in the United States!"

The *Chronicle* is a fearless, open, free-spoken Conservative journal, edited with ability, and deserves an extended patronage. We cheerfully recommend it to our readers. Terms, $3 per annum.

KING OF SPAIN.—The cable announces that Dom Ferdinand, father of the King of Portugal, has consented to be a candidate for the Spanish throne. This is one of the Colourgs—a wise and prudent man, very fond of Art, and devoted to his gallery of fine paintings. Heretofore he steadily refused to have anything to do with Spanish affairs—preferring his pictures to a throne, and taking great pleasure in lounging about the streets of Lisbon and cracking jokes with all comers. His change of purpose indicates his election—and a union in the future between Spain and Portugal under the same government. This would perhaps be the best solution of the Spanish difficulty.

RAILROAD MEETING IN BEAUFORT.

At a meeting of the citizens of Beaufort country, held at the Court House, in Washington, on Saturday, the 6th of Feb. 1869, to express their sentiments in regard to the construction of the proposed Railroad through this town,

On motion, James J. Whitehurst was called to the Chair, and E. S. Hoyt was appointed Secretary.

The object of the meeting was briefly stated by the Chairman, when Col. Carrow being called upon, responded, and in a few pertinent remarks more fully stated the same.

On motion, it was resolved that a Committee of five be appointed to prepare resolutions for the action of the meeting, and O. W. Telfair, W. R. S. Burbank, F. B. Satterthwaite, Isaiah Respess and Henry Hodges were appointed on said Committee.

During the absence of the Committee, Col. Carrow being again called upon, responded in a most emphatic and earnest manner.

The Committee reported the following resolutions, which were adopted by a unanimous vote.

Resolved, That we the people of Beaufort county, and especially of the town of Washington, are very greatly delighted to hear of the passage by the General Assembly of a bill for the construction of a railroad from Plymouth *via* this town to Wilmington, and desire to express our sincere thanks to the General Assembly for the passage of the same, and pledge ourselves to use our means and influence to aid in the building of said road.

Resolved, That we consider the town of Washington the most eligible site for the location of the Machine Shops for said road, as it has good navigation, a good harbor, and is most central, and the citizens of Washington will take pleasure in presenting to the Company a suitable site for the Shops.

The meeting was then addressed by F. B Satterthwaite.

Resolved, That the papers in Raleigh be requested to publish this proceedings.

The meeting then adjourned.

MISSISSIPPI AND HER MEAN MEN.—Ex Gov. Brown, in his letter to the Committee on Reconstruction, states that the greatest danger to his State is from—

"the men who were false to both sides during the war, who were firm secessionists when secession was popular, but apostatized when the South fell, and the unworthy adventure who rushed in when the fight was over to claim the fruits of a victory won by the valor and bravery of better men than themselves. These mean creatures, one and all, labor night and day to stir up strife between blacks and whites, in the vicious hope that whatever of evil may befide the good and orderly of both races, they at least will get the offices, and fatten on the little substances that is left to the impoverished South."

FUNERAL.—The funeral of the Hon. John N. Washington took place at the Catholic Church, in this city at 11 o'clock yesterday, and was attended by a large concourse of people, who assembled to pay the last sad tribute of respect to their honored citizen. The services were quite lengthy and the church crowded to overflowing. There were many persons about the church and in the street who were unable to gain admittance.—*Newbern Times.*

WASHINGTON, Feb. 19, P. M.

Gen. Imboden is here

A full Cabinet to-day.

Mr. Thornton handed Mr. Seward the following dispatch from the British Government:

"Inform Seward that orders have been given for the release of Castello and Warren."

Seward, replying to a letter urging the protection of persons and property in Cuba, says that at least half of Hoff's fleet are in Cuban waters. Hoff has been frequently and fully instructed to be vigilant and active in extending every protection to American interests.

Sherman's friends have purchased Grant's house including the furniture. Possession will be given on the fifth of March.

The Reconstruction Committee was engaged, to day, in considering the removing of disabilities.

Dahlgreen visited Gen Grant to-day.

The new tax bill covers six hundred pages.

CONGRESS.

WASHINGTON, Feb. 19, P. M.

The House considered the Army Appropriation Bill. All of the amendments reducing ordinary appropriations were agreed to.

The following was adopted as a substitute for the amendments reducing the Army.

"Until the Army was reduced to twenty regiments of Infantry, five of Cavalry, and five of Artillery, no new Commissions shall be issued.—Regiments to be consolidated as rapidly as the reduction of officers permits. No appointments or promotions to be allowed in any department of the Army," and the bill passed.

This action defeats Butler's amendment, discontinuing the General of the Army.

The Conference report on Naval Affairs was adopted. It forbids promotions or appointments until the officers are reduced to the required number.

Recess.

SENATE.—A bill was introduced repealing the law fixing the General's Headquarters at Washington, and compelling the President to issue military orders through him.

The senate after considering the Indian appropriation bill adjourned.

LIFE INSURANCE
NATIONAL
LIFE INSURANCE COMPANY,
OF THE
UNITED STATES OF AMERICA,
WASHINGTON, D. C.
Chartered by Special Act of Congress, Approved July 25th, 1868.

CASH CAPITAL,
$1,000,000,
PAID IN FULL.

BRANCH OFFICE:
FIRST NATIONAL BANK BUILDING,
PHILADELPHIA,
where the general business of the Company is transacted, and to which all general correspondence should be addressed.

OFFICERS.

CLARENCE H. CLARK, President.
JAY COOK, Chairman Finance and Executive Committee.
HENRY D. COOKE, Vice President.
EMERSON W. PEET, Secretary and Actuary.

This Company, National in its character, offers, by reason of its large capital, low rates of Premium, (as) New Tables, the most desirable means of insuring life yet presented to the public.

The rates of premium being largely reduced, are made as favorable to the insurers as those of the best Mutual Companies, and avoid all the complications and misstatements of Notes, Dividends and the misunderstandings which the latter are so apt to cause the Policy-holder.

Several new and attractive tables are now presented, which need only to be understood to prove acceptable to the public, such as the INCOME-PRODUCING POLICY and RETURN PREMIUM POLICY. In the former, the policy-holder not only secures a life insurance, payable at death, but will receive, if living, after a period of a few years, an ANNUAL INCOME equal to ten per cent. (10 per cent) of the par of his policy. In the latter the Company agrees to return to the assured the entire amount of money he has paid in as premium, at the end of his policy.

The organization of this Company on the LOW RATE, CASH PLAN, with new features and unequaled security, has evoked the most remarkable opposition from older and rival Companies. By means, fair and unfair, they have sought to injure the new system, and have attacked it with a degree of virulence unknown in the history of Life Insurance.

Not satisfied with the immense sums of money paid Insurance and other journals, to try and check the rapid progress of the National, so unsuccessful an opposition was made in Congress to repeal its Charter, all of which but accelerated its speed, for since then, the largest policies issued has been to members of Congress, whose attention has been thus attracted to its unsurpassed advantages. In the face of this opposition, the work of the Company has gone steadily forward, and it is with no little satisfaction that the GENERAL AGENTS are able to state that the business to date is far in advance of anything hitherto accomplished.

In Six Months 3,000 Policies have Been Issued,
INSURING IN ROUND NUMBERS,
$10,000,000.

The attention of persons contemplating insuring their lives, or increasing the amount of insurance they already have, is called to the special advantages offered by the National Life Insurance Co.

THIS HOME COMPANY, CHARTERED BY the Legislature of North Carolina, insures property against loss or damage by
FIRE, LIGHTNING, OR TORNADO,
and does business on the Mutual and Joint Stock plans.

The character of those who control the affairs of the Company is a sufficient guarantee that it is, what it professes to be, a HOME ENTERPRIZE, offering ample and liberal protection against loss by fire, &c., on the most easy and liberal terms to insurers.

The TWENTY THOUSAND DOLLARS in N. C. Bonds, required by the Charter to be deposited with the Public Treasurer, have promptly been so deposited and the Treasurer's receipt therefor obtained.

Policies are issued for a term not to exceed five years.

No other Company offers greater inducements to Insurers.

Now is the time for all who feel any interest in a HOME INSTITUTION to come forward and encourage this Company—receiving, as they will, reciprocal benefit in the enhancement of value and protection of their property.

For further particulars, address the Secretary, or consult General or Local Agents, who will, in due time, be announced.

TO THE VOTERS OF THE SIXTEENTH SENATORIAL DISTRICT COMPOSED OF THE COUNTIES OF HARNETT, CUMBERLAND AND SAMPSON.

Having received the unanimous nomination of the Conservative Convention which assembled in Fayetteville on the 12th of February, I Hereby announce myself as a candidate for a seat in the Senate of North Carolina, and respectfully solicit your suffrages for that position on the 25th of the present month. I stand firmly and squarely on the platform of our country, of Constitutional rights and Constitutional freedom, and, relying on the strenuous efforts of the friends who have thus honored me, I feel that the right must prevail, and we must be again represented by a Conservative in the Assembly of North Carolina.—The time is so short that it is impossible for me to see many of the electors in the District, and I must, of course, rely mostly on the friends of our cause, using at the same time, all my individual efforts and ability to secure the position. If you favor me with your support you may be assured that all my energies, and all my ability, will be devoted to the interests of North Carolina, and to the rebuilding of our shattered fortunes.

Work I work I will be my watchword, and I call upon all the friends of the cause to aid me with their might and their suffrages.

Let us rise in the majesty of our strength, and again carry our District; unity and vigorous, persistent action will accomplish it. I am not bound by the Howard amendment, and can take my seat, if elected. Very respectfully,

Your ob't serv't,

NEW ARRANGEMENT.

The RALEIGH SENTINEL having passed under the Editorial management of the undersigned, it will, from the present date, be conducted by him.

It will be the zealous and fearless advocate of the CONSTITUTION of the United States, seeking to bring the people back to their ancient reverence for that immortal instrument, and to restore the policy of the country to that honored standard, as the only guarantee of National prosperity.

It will do justice to the men and measures of the present day, whenever they may merit it, but it will unsparingly lash and denounce all who set themselves up in opposition to the Federal Constitution, and hold up to the public indignation corruption and imbecility in high places.

It will ardently seek the promotion of the best interests of North Carolina,—moral, educational, material and political.

THE LATEST NEWS

From every quarter, both by mail and telegraph, will be carefully collated and presented.

Full and correct market and financial reports will be given.

NEW METHOD OF WASHING CLOTHES WITHOUT LABOR.

THE AUTOMATIC

CLOTHES WASHER AND BOILER.

THIS BOILER IS MOST EFFECTUAL, reliable and universally recommended. It can be used on any Stove or Range, in any boiler, and the LOW PRICE of the article places it within the reach of every family.

This Boiler operates upon purely philosophical principles, is self-acting, and dispenses with labor and the wear of the clothes.

The hot suds and steam, by the action of heat are driven up through tubes, poured upon the clothes, and forced through the fabric with astonishing rapidity, cleansing all articles, from the finest laces to the bed-blanket. For Flannels it is invaluable, as it does not full them as in the old process of rubbing and pressing.

The time required for cleansing a boiler full of clothes is twenty to thirty minutes, and nearly three hundred gallons of boiling suds are forced through the fabric, thoroughly loosening and eradicating the dirt WITHOUT LABOR or friction.—A thorough rinsing finishes the process.

Washing day will no longer be a terror and dread to housewives. The cost of the Boiler will soon be returned in the SAVING OF TIME AND LABOR, and the great saving in the wear of clothes.

The great value of this invention appears so clear, and appeals so directly to common sense, that we have deemed it unnecessary to accompany its introduction with numerous letters of approval, &c.

No invention has met with such ready sale and given such satisfaction. Call at LOUGEE & BROTHER'S, and see its wonderful operations.—We have the exclusive right to sell and manufacture in the state.

COME TO

A. CREECH'S!

For Ladies' Goods! For Gentlemen's Goods! For Misses' Goods! For Boys' Goods! Ditto for Children!

MY STOCK IS LARGE AND VERY COMplete. Allow me to say that you see some very strange advertisements. Some say they bought goods before the rise—some after the decline—some just in time—some in luck again—some buy goods cheaper than anybody else—some selling goods at unprecedentedly low prices—some commanding the trade &c., &c., and all such stuff. What a lucky set of individuals!

Now just let ME tell you, that there is more humbug than poetry in all this. Don't every man, woman and child know that it is humbug—large enough to be seen even with one eye shut? so let them talk, puff and blow, but STOP. LOOK OUT! HANDS OFF! and show your good judgment by

COMING TO CREECH'S
